Sprint 1

DEI Builders

Sprint 1 (Team Roles)

Product Owner

Bryce Alexander

Scrum Master

Taylor Sharperson

Developers

Bryce Alexander

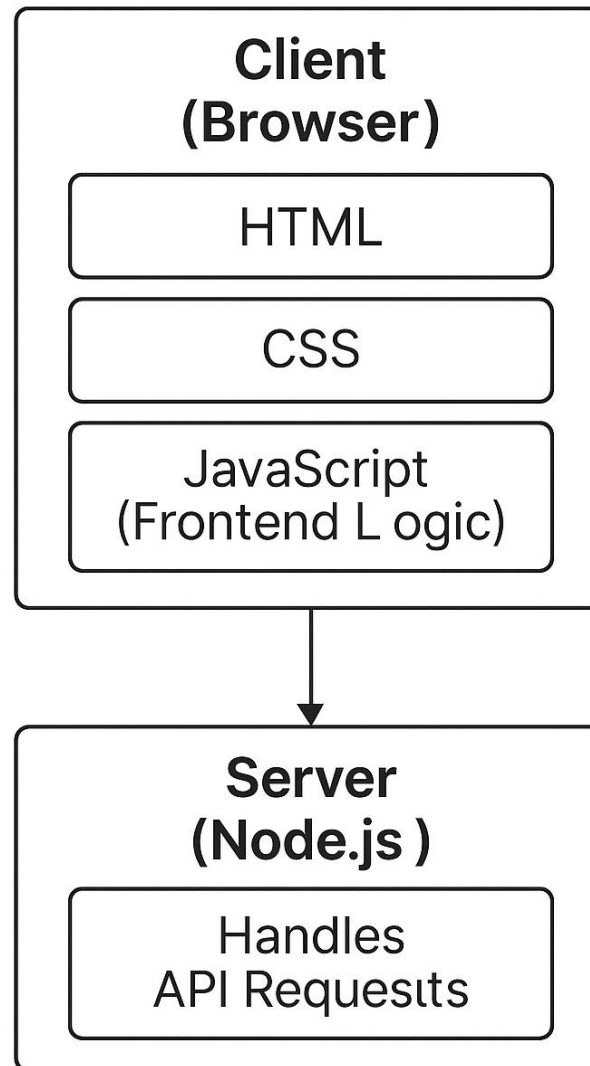

Madison Mcnealy

Taylor Sharperson

Sprint Goal

- ***Main Sprint Goal***
- ***Enable students to upload their resumes and have the system parse the document to prepare for future skill and experience analysis.***
- ***Deliver a functional resume upload feature with parsing capability, providing the foundation for automated skill and experience analysis.***
- ***Implement resume upload and PDF parsing so students can start interacting with the platform and preparing their profiles.***
- ***Lay the groundwork for personalized career insights by building the resume upload and parsing pipeline.***
